5 traditions, and that these missionary efforts were part of a larger global colonial effort to  
6 subdue native peoples and take their lands;

7           Whereas, the property interests of the capitalist class in Hawai‘i were the center  
8 of all political struggle to maintain sovereignty and independence as a state, to maintain  
9 our status as a neutral state, and to maintain humane working conditions of laborers;

10          Whereas the interests of capitalists residing within the Hawaiian Kingdom, in  
11 concert with US imperialist ambitions and economic interests grounded events around  
12 which the majority of political struggle in the 19th century were centered, including the  
13 Reciprocity Treaty of 1875, Bayonet Constitution of 1887, Overthrow of 1893 and  
14 so-called “Annexation” of 1898 and subsequent attempts at denationalization of

**KA ‘AHAHUI HAWAI‘I ALOHA ‘ĀINA – HAWAIIAN PATRIOTIC LEAGUE**

**‘ŌLELO HO‘OHOLO - RESOLUTION NO. 23 - 11**

**SUPPORTS THE CONCEPT THAT CAPITALISM IS A DESTRUCTIVE ECONOMIC STRUCTURE AND A ROOT CAUSE OF HAWAIIAN OPPRESSION AND THE U.S. OCCUPATION OF HAWAI‘I**

1           Whereas, both the overthrow and the belligerent occupation of the Hawaiian  
2 Kingdom is motivated by profit-making;  
3           Whereas, throughout the 19th century, our ancestors understood and wrote  
4 about the threat of capitalist interests to our national sovereignty;  
5           Whereas, alienation of Hawaiian national lands following the 1893 overthrow  
6 was motivated by profit-making;  
7           Whereas, other nations and countries who have achieved decolonization or  
8 de-occupation show us that the de-occupation of Hawai‘i alone will not free us from  
9 the bondage of the economic system we live in;  
10          Whereas, the displacement of Kānaka Maoli today and for the past 130 years  
11 can be traced to the desire of developers to profit off of lands upon which Kānaka  
12 Maoli live, or the desire of the US military to use Hawaiian lands as staging and  
13 training grounds to protect American business interests abroad;  
14          Whereas, the inability of Kānaka Maoli to afford to live in Hawai‘i, own a  
15 home, afford life necessities, have good healthcare, or have access to healthy food is  
16 rooted in an economy based on profit-making;  
17          Whereas, the theft of Hawaiian lands and waters and our struggles to get them  
18 back are a struggle against a capitalist class, a group of people who are most coherent  
19 as a group by way of their capitalist beliefs, practices, and organization;  
20          Whereas, the settler State of Hawai‘i was established for, protects the interests  
21 of, and is structured to support capitalism and a capitalist class, which Kānaka Maoli  
22 primarily struggle against;  
23          Whereas, there is a growing movement to further erode protections to ‘āina,  
24 workers, and Kānaka interests (deregulation), to shift from public funding for things  
25 like public education, healthcare and housing, which a large number of Kānaka Maoli  
26 depend on (austerity), and to only consider solutions to our generations biggest  
27 problems such as climate change, housing, food security, and clean water, through  
28 profit-driven solutions;  
29          Whereas, the economic system that is grounded in profit-making over all else,  
30 including the health and well-being of ‘āina, wai, kanaka, and even the sovereignty of  
31 nations is called Capitalism;  
32          Whereas, Capitalism, is the most fundamental threat to Aloha ‘Āina;  
33          Whereas, to build strategy against, effectively fight, and ultimately overcome  
34 oppression, you must understand its function and structure;  
35          Whereas, other more life-affirming economic models exist, including those  
36 that our ancestors developed and brought forward, in part, into the economic  
37 development of the 19th century, therefore, be it  
38          *Resolved*, That Ka ‘Ahaui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League)  
39 at its Annual Convention held at Lāhaina, Maui, this 11<sup>th</sup> day of March, 2023,  
40

41 supports the concept that Capitalism is a destructive economic structure and a root  
42 cause of Hawaiian oppression and the US occupation of Hawai'i;

43 *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina agrees that as such,  
44 Capitalism in Hawai'i must be better understood both ideologically and structurally  
45 by Hawai'i's people in order to more effectively fight against it;

46 *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina establish an ad hoc research  
47 committee on political economy, made up voluntarily of members from any branch  
48 who wish to join it, to study Capitalism, the economic structure that oppresses the  
49 lāhui Kanaka, and that is the motivation for the US occupation of our homeland;

50 *Resolved*, That the KAHAA ad hoc committee on political economy will  
51 promote sharpening member and public analysis on the structures and impacts of  
52 capitalism;

53 *Resolved*, That the KAHAA ad hoc committee on political economy will also  
54 conduct and facilitate research to better understand traditional and 19th century  
55 logics, frameworks, and outcomes of a distinctly Hawaiian political economy as well  
56 as other economic models around the world with attention to those used by peoples in  
57 struggle against US imperialism;

58 *Resolved*, That the work of the KAHAA ad hoc committee on political  
59 economy will be shared with KAHAA branches and can be used to inform  
60 educational initiatives, political analysis, and positions on issues that are produced  
61 from KAHAA branches; and

62 *Resolved*, That a certified copy of this resolution be transmitted to all branches  
63 of the League.

Adopted, Lāhaina, this 12th day of March, 2023.

**KA ‘AHAHUI HAWAI‘I ALOHA ‘ĀINA – HAWAIIAN PATRIOTIC LEAGUE**

**‘ŌLELO HO‘OHOLO - RESOLUTION NO. 23 - 12**

**STRONGLY SUPPORTS THE CALL TO ACTION TO CEASE RIM OF THE PACIFIC EXERCISES 2024 AND ALL MILITARY EXERCISES**

1           Whereas, The United States military continues to conduct the largest maritime  
2 exercise in the world in the Pacific Ocean biennially, in an area expanding across the  
3 Pacific from the U.S. West Coast to the northernmost reaches of the  
4 Papahānaumokuākea Marine National Monument;

5           Whereas, At minimum twenty-six nations and 25,000 military personnel on  
6 this planet are invited to participate along with the U.S. Armed Forces under the  
7 pretense of national security for the so called Indo-Pacific as an occupying force to  
8 justify and legitimize its actions

9           Whereas, Hawai‘i and Moana Nui are being used as a proving ground for the  
10 military to test new weapons, engage in amphibious assaults of our shorelines, and  
11 conduct live firebombing into conservation zones and artillery shelling of Pōhākulōa  
12 causing devastating consequences on the environment on Mauna Kea, sink-ex  
13 exercises that involve the use of missiles to sink decommissioned battleships, the use  
14 of smart bombs, chemical weapons and sonar activities that cause irreversible harm to  
15 marine life, causing mass whale strandings;

16           Whereas, The military continues to be considered exempt from regulation or  
17 independent observation or assessment across the Pacific by those most impacted  
18 while the exercises are occurring;

19           Whereas, Gendered violence and sex trafficking increases in the Hawaiian  
20 islands each year the RIMPAC or any of its participating members who are in  
21 Hawai‘i;

22           Whereas, The US Navy Indo-Pacific Command who is in charge of the  
23 RIMPAC exercises, has leaked jet fuel into O‘ahu’s fresh water supply lines and  
24 released the fire retardant known as AFFF, which contains “forever chemicals”  
25 known as PFAS which cause cancer and other serious illness, into our soils from the  
26 Red Hill Bulk Storage facility and are not stewards of our land or waters;

27           Whereas, As stated in the 2019 Ka ‘Ahaui Hawai‘i Aloha ‘Āina Resolution  
28 on RIMPAC, The Hawaiian Kingdom continues to exist as a neutral nation under  
29 occupation;

30           Whereas, There continues to “be no disclosure of the types-nor numbers-of  
31 missiles, projectiles, bombs or ammunition to be expended, which include the use of  
32 depleted uranium and other harmful contaminants and toxic materials”;

33           Whereas, “The arbitrary use of this segment of the Pacific Ocean is indicative  
34 of the United States claim of domination over such sea, air and subsurface resources”;

35           Whereas, There have been 28 such exercises, without the consent of the  
36 Hawaiian Kingdom and without consultation of Kanaka Maoli communities most  
37 directly impacted, without any challenge from the state and under the delusion that  
38 this type of massive environmental destruction in the midst of climate change benefits  
39 the economy;

40           Whereas, the ongoing audacity of the United States to invite international  
41 military forces to Hawai'i nei in order to coordinate their control of trade routes, the  
42 sale of weapons of war and to continue to extract the resources of the Pacific

43           Whereas, RIMPAC and other military exercises will continue into the future  
44 unabated and without regulation, thus continuing to exclude Hawaiian Kingdom  
45 subjects in decisions impacting the Kingdom's resources, reflects a blatant disregard  
46 for international law in respect to the neutrality of a nation-state; and

47           Whereas, the protection and restoration of our pae 'āina and our relations  
48 across the Pacific must take priority in the midst of the climate crisis and it is  
49 necessary for this Patriotic League to engage in active, not passive, opposition to its  
50 continued destruction and expansion in the Pacific, therefore, be it

51           *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina (Hawaiian Patriotic League)  
52 at its Annual Convention held at Lahaina, Maui, this 11<sup>th</sup> day of March, 2023, agrees  
53 that RIMPAC and all military exercises are continuously destructive to the air, lands  
54 and waters of Hawai'i nei as a direct result of the US occupation of Hawai'i;

55           *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina fully supports the call to  
56 action to cease RIMPAC and all military exercises in Hawai'i, which will only cease  
57 through non-violent direct actions and confrontation with the United States military  
58 and US state representatives in order to demand “that the United States and its allies  
59 cease all military activities in the Hawaiian Kingdom and instead use their  
60 considerable resources toward supporting a nuclear-free Pacific and the continuity of  
61 the independent Hawaiian Kingdom”;

62           *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina support branches who seek  
63 to establish committees on demilitarization, made up voluntarily of members from  
64 any branch who wish to join it, to learn more on the issues and work within  
65 communities to address direct impacts of RIMPAC and other exercises to their  
66 communities, so that we may be better equipped to challenge threats to the Pae 'Āina  
67 by the occupying forces of the United States;

68           *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina committees on  
69 demilitarization meet and learn from communities directly impacted by RIMPAC and  
70 other military exercises to develop collective solutions and actions to stop these  
71 exercises both in the Hawaiian Kingdom and across Moana Nui;

72           *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina support coalition building  
73 and work with other community organizations and formations working to oppose  
74 RIMPAC 2024;

75           *Resolved*, That Ka 'Ahahui Hawai'i Aloha 'Āina will support and engage in  
76 education and actions to oppose RIMPAC 2024;

77           *Resolved*, That the Ka 'Ahahui Hawai'i Aloha 'Āina agrees to whenever  
78 possible support and stand in solidarity with other peoples of the Pacific directly  
79 impacted by RIMPAC and other military exercises in the Pacific;

80           *Resolved*, That the work of Ka 'Ahahui Hawai'i Aloha 'Āina branches who  
81 have demilitarization committees will be shared with branches and can be used to  
82 inform actions, campaigns and strategies, and

**KA ‘AHAHUI HAWAI‘I ALOHA ‘ĀINA – HAWAIIAN PATRIOTIC LEAGUE**

**‘ŌLELO HO‘OHOLO - DRAFT RESOLUTION NO. 23 - 13**

**SUPPORTS THE CAMPAIGN TO END US MILITARY LEASE RENEWALS THAT ARE SET TO EXPIRE IN 2029**

1           Whereas, the United States armed forces are in Hawai‘i illegally through  
2 invasion and occupation;  
3           Whereas, over 200,000 acres of Hawaiian lands on Hawai‘i Island, O‘ahu, and  
4 Kaua‘i are currently used by branches of the United States armed forces as a training  
5 ground for the US imperialist project;  
6           Whereas, the United States armed forces control of this land has resulted in the  
7 displacement of Kanaka Maoli, the environmental and cultural destruction of these  
8 lands; and the endangerment of all life forms in Hawai‘i;  
9           Whereas, the instrument providing the United States armed forces usage of  
10 these lands is a lease issued by the State of Hawai‘i, which is set to expire in 2029;  
11           Whereas, a campaign to demilitarize these lands touches the islands of Hawai‘i,  
12 Maui, O‘ahu, Kaua‘i, and Ni‘ihau;  
13           Whereas, weakening the US military’s support and footprint in Hawai‘i  
14 supports conditions for the de-occupation of Hawai‘i; and  
15           Whereas, there is heightened awareness among Hawai‘i’s people of the  
16 destructive practices and ideologies of the US military; now, therefore, be it  
17 *Resolved*, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League) at  
18 its Annual Convention held at Lahaina, Maui, this 11<sup>th</sup> day of March, 2023, supports  
19 the campaign to prevent the 2029 US military lease renewals for those that are set to  
20 expire in 2029;  
21           *Resolved*, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina create and distribute  
22 educational materials about these lands and other relevant information to build support  
23 to end the leases;  
24           *Resolved*, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina support the convening of

26           *Resolved*, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina support coalition building and

**KA ‘AHAHUI HAWAI‘I ALOHA ‘ĀINA - HAWAIIAN PATRIOTIC LEAGUE**

**‘ŌLELO HO‘OHOLO - RESOLUTION NO. 23 - 14**

**ADVOCATES FOR THE RESTORATION OF AHUPUA‘A SYSTEMS THROUGHOUT  
KO HAWAI‘I PAE‘ĀINA**

1           Whereas, The Ahupua‘a system has existed from wā kahiko and has sustained  
2 multitudes in the hundreds of thousands for more than a millennia;

3           Whereas, H.M. Kamehameha III Kauikeaouli codified this system in the  
4 Hawaiian Kingdom Constitution of 1841;

5           Whereas, The Mahele Book of ‘Ianuali 1848 privatized Ko Hawai‘i Pae ‘Āina  
6 by Ahupua‘a to Ali‘i and Konohiki for successful land management in perpetuity;

7           Whereas, The people’s Native Tenant rights in the lands of the Konohiki are  
8 protected under the Kuleana Act of 1850;

9           Whereas, Efficient land management is lacking today, with examples being  
10 Public Access Shoreline Hawaii (PASH), Ka Pa‘akai o ka ‘Āina vs. State of Hawaii,  
11 the Waiāhole-Waikāne water case, and the destruction of numerous Loko I‘a;

12           Whereas, Each Ahupua‘a can become a thriving ecosystem once again;

13           Whereas, Kānaka Hawai‘i have been displaced, replaced, and marginalized  
14 from living in this traditional land management system as a systematic means of  
15 genocide, leading to the reduction of the kānaka Hawai‘i population within Ko Hawai‘i  
16 Pae ‘Āina;

17           Whereas, Ahupua‘a restoration efforts may encourage kānaka Hawai‘i to return  
18 to their ‘āina pulapula, and return to the traditional and customary uses within  
19 Ahupua‘a systems; and

20           Whereas, The return of traditional and customary practices positively affects  
21 the healthy restoration of wai, ‘āina, and kai, thereby increasing sustainability and  
22 independence; now, therefore, be it

23           Resolved, That Ka ‘Ahaui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League)  
24 at its Annual Convention held at Na Aikane Cultural Center in Lahaina, Maui, this 12th

**KA ‘AHAHUI HAWAI‘I ALOHA ‘ĀINA - HAWAIIAN PATRIOTIC LEAGUE**

**‘ŌLELO HO‘OHOLO - RESOLUTION NO. 23 - 15**

**PROTESTS THE INJURY OF IWI KŪPUNA BY THE U.S. OCCUPATIONAL GOVERNMENT AND ENCOURAGES ALL BRANCHES TO TAKE RESPONSIBILITY OF IWI KŪPUNA IN THEIR RESPECTIVE MOKU**

1           Whereas, Hui Aloha ‘Āina o ka Malu ‘Ulu o Lele (HAA Lahaina), a branch of  
2 the Hawaiian Patriotic League, works in parallel with Nā ‘Aikāne o Maui, Inc., a  
3 designated repository for Iwi Kūpuna discovered in Lāhainā, in order to fulfill an  
4 objective codified in HAA Lahaina’s Bylaws: *“To mālama i nā kūpuna hiamoe loa,*  
5 *including assisting in the repatriation of iwi kūpuna, and protection and restoration of*  
6 *ancient burial sites, not limited to ‘āina and kai”*;

7  
8           Whereas, Hui Aloha ‘Āina o ka Malu ‘Ulu o Lele advocates that Iwi Kūpuna be  
9 reinterred in place, or within the Moku in which they were discovered at the earliest  
10 possible time;

11           Whereas, The United States’ (U.S.) occupational government practices  
12 jurisdiction over Hawaiian Iwi illegally, and has caused injury to Iwi Kūpuna and lineal  
13 descendants;

14  
15           Whereas, the U.S. occupational government’s State of Hawai‘i has not  
16 designated repositories and reinterment sites within each Moku causing Iwi Kūpuna to  
17 be removed, held, and reinterred far from the sites at which they were first discovered;

18           Whereas, the U.S. occupational government’s Burial Councils, agents created by  
19 the State of Hawaii’s Historic Preservation Division to “determine preservation or  
20 relocation of previously identified Native Hawaiian burial sites”, are dysfunctional in  
21 that the Councils:

- 22  
23           1. Routinely cancel regular meetings, or are chronically unable to make  
24 quorum thus:  
25           a. severely limiting the ability of descendants to bring grievances or  
26 to make claims; and  
27           b. delaying decision-making on appropriate management, treatment,  
28 and protection of burial sites; and  
29  
30           2. Are mandated to include substantial representation of developers and  
31 large property owners who are, historically, the greatest culprits of  
32 disrupting Hawaiian burial sites and injuring Iwi Kūpuna;

33           Whereas, caring for and protecting Iwi Kūpuna is fundamental to Hawaiian  
34 custom, heritage and society; and

35           Whereas, the responsibility of protecting and caring for Iwi Kūpuna, and  
36 especially unidentified Iwi Kūpuna, belongs to po‘e aloha ‘āina; now, therefore, be it

37  
38           *Resolved*, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League) at  
39 its Annual Convention held at Na Aikane o Maui Cultural Center in Lahaina, Maui, this

40 12th day of March 2023, PROTESTS the injury and displacement of Iwi Kūpuna  
41 executed by the United States' occupational government and its agents in Hawai'i nei,  
42 not limited to the State of Hawai'i, the State Historic Preservation Division, and the  
43 Island Burial Councils; and

44 *Resolved*, that Ka 'Ahahui Hawai'i Aloha 'Āina (Hawaiian Patriotic League)  
45 ADVOCATES that Iwi Kūpuna be allowed to rest in place or within the Moku in which  
46 they are discovered; and

47 *Resolved*, that Ka 'Ahahui Hawai'i Aloha 'Āina (Hawaiian Patriotic League)  
48 RECOMMENDS that repositories and internment sites be designated in each Moku for  
49 relocated Iwi Kūpuna in order to limit desecration and displacement of Iwi Kūpuna; and

50 *Resolved*, that Ka 'Ahahui Hawai'i Aloha 'Āina (Hawaiian Patriotic League)  
51 ENCOURAGES all branches to take responsibility of Iwi Kūpuna within their  
52 respective Moku; and

53 *Resolved*, encourages Ka 'Ahahui Aloha 'Āina to coordinate education and  
54 training for its members on systems, methods, and cultural practices for the protection  
55 of 'iwi kūpuna; and

**KA ‘AHAHUI HAWAI‘I ALOHA ‘ĀINA - HAWAIIAN PATRIOTIC LEAGUE**

**‘ŌLELO HO‘OHOLO - RESOLUTION NO. 23 - 16**

**ENCOURAGES ALL BRANCHES TO ASSIST LINEAL DESCENDANTS IN  
KULEANA LAND RECLAMATION**

1           Whereas, Hui Aloha ‘Āina o ka Malu ‘Ulu o Lele, a branch of the Hawaiian  
2 Patriotic League, hosts workshops to educate the public on reclaiming kuleana lands,  
3 land title, and native tenant rights which have been instrumental in returning kānaka to  
4 ‘āina across the Pae‘āina;

5           Whereas, Nearly 40% of all houseless in Hawai‘i nei are kānaka Hawai‘i, and a  
6 vast majority of kānaka Hawai‘i are currently landless, typically either leasing from  
7 the U.S. occupational government’s Department of Hawaiian Homelands, or renting;

8           Whereas, Quiet Title and Adverse Possession laws have facilitated the  
9 displacement of kānaka Hawai‘i for 150 years;

10           Whereas, Nearly half of all kānaka Hawai‘i live in diaspora outside of Ko  
11 Hawai‘i Pae‘āina;

12           Whereas, The Kuleana Act of 1850 was passed into law under H.M.  
13 Kamehameha III Kauikeaouli which allowed the granting of Allodial Land Title to the

15           Whereas, The Kuleana Act of 1850 includes native tenant rights and  
16 protections crucial to the lāhui today such as water, gathering, and access rights;

**SUPPORTS THE CONTEMPORARY REVOLUTIONARY MOVEMENT  
OF THE PEOPLE OF IRAN**

1           Whereas, This historic woman-led revolution in Iran highlights a fundamental  
2 aspect of every struggle for justice, autonomy, and liberation across the world, i.e. the  
3 struggle against the violence of patriarchy as an ideology fundamental to capitalism and  
4 empire;

5           Whereas, Iranians living outside of Iran have been drawing attention to the  
6 humanitarian crisis and the bravery of everyday people in Iran resisting the violence of  
7 the dictatorship;

8           Whereas, Hundreds of thousands of people have taken part in Global Days of  
9 Action for Iran to show support and solidarity with the women and youth leadership  
10 who are risking their lives to put an end to the systemic subjugation of women and  
11 gender/ethnic minorities in Iran; and

12           Whereas, Standing in solidarity with the popular freedom movements of  
13 oppressed people seeking safety, dignity, and freedom in their homelands, wherever  
14 they are in the world, is mandated by those who espouse aloha, kuleana, pono, and all

**FULLY SUPPORTS AHEC 2022 33rd GENERAL SYNOD’S EFFORTS TO END 128 YEARS OF WAR BETWEEN THE UNITED STATES OF AMERICA AND THE HAWAIIAN KINGDOM**

1           Whereas, On July 17, 2022, at the Thirty-Third General Synod from the  
2           UCC’s Association of Hawaiian Evangelical Churches (AHEC), a resolution was  
3           passed to end 128 Years of War Between the United States of America and the  
4           Hawaiian Kingdom that called on church leaders and the U.S. to recognize its own  
5           presence in the Hawaiian islands as an “illegal occupation” according to international  
6           law. AHEC is made up of 31 historically Native Hawaiian congregations from across  
7           Hawaii. Some 80 percent of them were founded before 1893, the year the United

10          Kingdom that encouraged American missionaries to arrive in Hawaii; [i], [ii]

11          Whereas, the first Christian nation in the Pacific, the Hawaiian Kingdom  
12          Constitution in 1840 began with a quote from the bible “God hath made of one blood  
13          all nations of men, to dwell on the face of the earth in unity and blessedness”; [iii],  
14          [iv], [v]

15          Whereas, on December 19, 1842, United States President John Tyler agreed to  
16          recognize the independence of the Hawaiian Kingdom; [vi]

17          Whereas, the Christian Hawaiian Kingdom through treaties with friendly  
18          nations around the world, successfully modernized Hawaiian self-governance at the  
19          time to prosper in peace, trade and friendship through treaties with friendly nations  
20          around the world for fifty years; [vii]

21          Whereas, Rev. Rufus Anderson, the author of the three-self method  
22          (self-supporting, self-governing and self-propagating) and the long-term secretary of  
23          the ABCFM (American Board of Commissioners for Foreign Mission) arrived in  
24          Hawai`i in 1863 to tell the missionaries to create self-reliant, self-governing churches  
25          and "to devolve upon it (the Hawaiian churches) the responsibilities of  
26          self-government in ecclesiastical matters"; [viii]

27          Whereas, Rev. Anderson’s advice was not followed and the government of the  
28          Hawaiian Kingdom was overthrown on January 17, 1893; [ix]

29          Whereas, on December 18, 1893, President Grover Cleveland’s executive  
30          agreement to restore the Christian Hawaiian Kingdom was signed by Liliuokalani and  
31          received by U.S. ambassador Albert Willis; [x]

32          Whereas, in 1991, the Eighteenth General Synod of the United Church of  
33          Christ directed President Paul Sherry to issue an apology on the 100th anniversary of  
34          the overthrow of the Hawaiian monarchy for the complicity of the church in the  
35          overthrow; [xi], [xii]

36          Whereas, in 1993 President Clinton, with senators and representatives from

38          occupation; [xiii]

38           Whereas, the National Lawyers Guild recommended to the Governor of the  
39 State of Hawaii “to begin to comply with international humanitarian law in its  
40 prolonged and illegal occupation of the Hawaiian Islands”; [xiv]

41           Whereas, the United Church of Christ has historically stressed the importance  
42 of Justice as a key faith component for the Church;

43           Whereas, the correction of injustices depends upon correct history based upon  
44 factual matters, and history is often based upon who writes the history and factual  
45 information available;

46           Whereas, the information included in this resolution will be available at  
47 <https://ahccchurch.weebly.com/> about the founding of the Hawaiian Kingdom to  
48 correct false history about the Christian Hawaiian Kingdom;

49           Whereas, various General Synods of the United Church of Christ have taken  
50 proactive stands on Justice;

51           Whereas, justice depends upon action, not just stating what is true and just and  
52 right (pono in Hawaiian);

53           Whereas, the United Church of Christ has stated a historical commitment to  
54 justice, and peace;

55           Whereas, the Hawaiian Kingdom has also historically been a friendly  
56 Christian nation whose constitution was founded upon Christian values and rooted in  
57 Aloha ‘Āina;

58           Whereas, the Ka Hui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League) was  
59 established in the aftermath of the overthrow of the Hawaiian Kingdom and Queen  
60 Lili‘uokalani on January 17, 1893, to promote Hawaiian patriotism and independence;

61           Whereas, the Ka Hui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League) has a  
62 long history of opposing the illegal overthrow, fake annexation and illegal occupation  
63 of the Hawaiian Islands to the United States;

64           Whereas, the Ka Hui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League)  
65 organized and collected the Kū‘ē Petitions in 1897 to oppose annexation, which  
66 ultimately blocked a treaty of annexation in the United States Senate;

67           Whereas, the Ka Hui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League)  
68 continues to work towards the restoration of Hawaiian sovereignty and  
69 self-determination;

70           Whereas, the ongoing conflict between the United States and the Hawaiian  
71 Kingdom has resulted in war crimes targeting and violating Hawaiian citizens in  
72 Hawaiian Kingdom territory and abroad, resulting in a colossal scale of humanitarian  
73 and human rights violations daily;

74           Whereas, the Baibala teaches that all humans are created equal and calls for  
75 justice and righteousness in our actions towards one another; and

76           Whereas, the overthrow of the Hawaiian Kingdom in 1893 was illegal and  
77 continues to impact the Hawaiian people to this day;

78           Resolved, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League)

**SUPPORTS THE CONTEMPORARY REVOLUTIONARY MOVEMENT  
OF THE PEOPLE OF IRAN**

1           Whereas, This historic woman-led revolution in Iran highlights a fundamental  
2 aspect of every struggle for justice, autonomy, and liberation across the world, i.e. the  
3 struggle against the violence of patriarchy as an ideology fundamental to capitalism and  
4 empire;

5           Whereas, Iranians living outside of Iran have been drawing attention to the  
6 humanitarian crisis and the bravery of everyday people in Iran resisting the violence of  
7 the dictatorship;

8           Whereas, Hundreds of thousands of people have taken part in Global Days of  
9 Action for Iran to show support and solidarity with the women and youth leadership  
10 who are risking their lives to put an end to the systemic subjugation of women and  
11 gender/ethnic minorities in Iran; and

12           Whereas, Standing in solidarity with the popular freedom movements of  
13 oppressed people seeking safety, dignity, and freedom in their homelands, wherever  
14 they are in the world, is mandated by those who espouse aloha, kuleana, pono, and all  
15 cultural concepts dear to us as kānaka ‘ōiwi and as Hawaiian Kingdom subjects; now,  
16 therefore, be it

**‘ŌLELO HO‘OHOLO - RESOLUTION NO. 23 - 18**

**SEEKS DIRECTION FROM THE ACTING MINISTER OF THE INTERIOR, DR. DAVID KEANU SAI OF THE ACTING COUNCIL OF REGENCY, SPECIFICALLY REQUESTING A HAWAIIAN KINGDOM MANIFESTO**

1           Whereas, The monarchical government of the Hawaiian Islands was established  
2 in 1810 by His Majesty King Kamehameha I; and

3           Whereas, His son, Kauikeaouli, King Kamehameha III, concerned about foreign  
4 encroachment on Hawaiian territory, sought to negotiate treaties with the United States  
5 and Europe to secure recognition of Hawaiian independence from the major world  
6 powers; and

7           Whereas, On December 14, 1842, U.S. President Tyler recognized Hawaiian  
8 independence; and

9           Whereas, The following year, 1843, Great Britain and France also recognized  
10 the independence of the Hawaiian Kingdom; and

11           Whereas, As a result of the recognition of Hawaiian independence in 1843, the  
12 Hawaiian Kingdom entered into treaties and conventions with multiple European  
13 nations, former European colonies, and the United States; and

14           Whereas, Under the reign of Queen Lili‘uokalani the Hawaiian Kingdom  
15 government was illegally overthrown by traitors to the Hawaiian Kingdom government  
16 with the aid of agents of the United States; and

17           Whereas, Because there was no lawful subsequent action to acquire the  
18 Hawaiian Kingdom via treaty, the Hawaiian Kingdom continues to exist, as the legality  
19 of that action cannot be proven; thus the Hawaiian Kingdom continues to be a country  
20 under occupation by the United States military to this day; and

21           Whereas, Given the international law principle of “presumption of continuity” of  
22 the Hawaiian State while under an illegal occupation, and the supremacy of its legal  
23 order, a plan of action was determined to create an acting government and assume the  
24 de facto role of the Council of Regency so that the legal order of the Hawaiian State  
25 could be represented both domestically and internationally; and

26           Whereas, On September 10, 1999, it was determined by the Council of Regency  
27 (under Article 33 of the 1864 Constitution) that the acting Minister of Interior should  
28 resume the office of acting Minister of the Interior, and the entire Cabinet Council serve  
29 as an acting Council of Regency within the meaning of Article 33 of the 1864  
30 Constitution; and

31           Whereas, It was also agreed upon in Privy Council in the Council of Regency  
32 that David Keanu Sai serve as Chairman of the acting Council, and

33           Whereas, The acting Council serves as the de facto organ of the Hawaiian State  
34 under the legal doctrine of necessity and does not represent any particular group of  
35 individuals organized by ethnic origin or by common ideology; and

36           Whereas, The acting Council is limited and operates within the framework of  
37 Hawaiian domestic law, which is defined by the 1864 constitution and the statutes  
38 lawfully enacted by the Legislative Assembly previous to the illegal constitution in  
39 1887; and

40           Whereas, The acting Council has no effectiveness and has no direct link to the  
41 national population, pending the reconvening of the Legislative Assembly; and

42           Whereas, The acting Council is fundamentally tied to the doctrine of legal  
43 continuity of the Hawaiian State and the supremacy of its legal order as defined by its  
44 constitution and statutes; and

45           Whereas, Since 1999, the national population (the Lāhui) has continued to  
46 decline in health, economic stability, and long-term ability to protect lands and waters  
47 that have sustained them since time immemorial; and

48           Whereas, The Lāhui is and has been for the past 130 years in a state of  
49 instability, suffering historical and generational trauma as a result of actions taken by  
50 the United States at the time of and following the illegal overthrow of the Hawaiian  
51 Kingdom government; and

52           Whereas, The Lāhui has suffered consistent decline as a people and seeks the  
53 means to better resist illegal occupation, as well as direction on how to proceed in  
54 maintaining national and cultural continuity until such time as relief is provided; and

55           Whereas, While the Lāhui recognizes the inability of the acting Minister of  
56 Interior of the acting Council of Regents to act on behalf of the people because the  
57 Council of Regents has no direct link to the national population, there are no other legal  
58 avenues from which to seek direction for present day efforts to respond to over a  
59 century of illegal occupation; and

60           Whereas, The Lāhui seeks direction from the acting Minister of Interior, in  
61 consultation with the acting Council of Regents, to provide guidance for action and  
62 behavior consistent with what are historically and culturally appropriate responses to  
63 occupation, as no other entity presently exists that can speak to the needs of the national  
64 population in keeping with the legal right to rule as established under Article 33 of the  
65 1864 constitution; and

66           Whereas, The Lāhui, at this time in history, has been without enlightened  
67 leadership for 130 years; and

68           Whereas, Members of the Lāhui, the national population, are bereft, dying, ill,  
69 mentally and physically suffering and seek immediate relief; now, therefore, be it

70           *Resolved*, That Ka ‘Ahahui Hawai‘i Aloha ‘Āina (Hawaiian Patriotic League) at  
71 its Annual Convention held in Lāhaina, Maui, this 12th day of March 2023, seeks  
72 direction from the acting Minister of Interior, Dr. David Keanu Sai, representing the  
73 acting Council of Regency, specifically requesting a Hawaiian Kingdom Manifesto; and

74           *Resolved*, That this Manifesto will specifically address the guiding principles  
75 and beliefs that inform the actions (or non-actions) of the acting Council of Regency  
76 specific to the Lāhui in the following areas: health and wellness, return of ‘āina, pono  
77 economic development, food security, climate change and disaster preparedness, and all  
78 matters of safety and well-being pertaining to the internal affairs of the Lāhui under  
79 occupation; and

80           *Resolved*, That this Manifesto is meant to be a guide to the Lāhui , rather than a  
81 long-term plan, but one that is meant to facilitate the eventual de-occupation of the  
82 Hawaiian Kingdom; and

83           *Resolved*, That a certified copy of this resolution be transmitted to all branches  
84 of Ka ‘Ahahui Hawai‘i Aloha ‘Āina/Hawaiian Patriotic League and Dr. David Keanu  
85 Sai.
